

SHIMAL'E PELEG
LIGHT IN ART

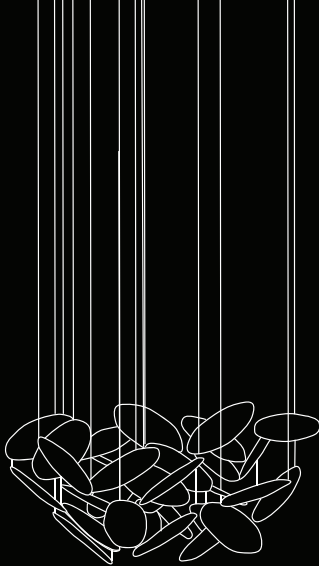

DragonFly | 40Pieces | Ø120cm

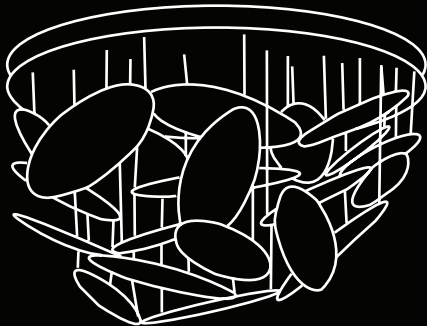

@ProgressiveDesignFirm

Dragonfly

This show-stopping piece was initially designed to be the master art piece for The Central Bar in theVdaraSpa, Las Vegas. Combining strips of lead framing with oval cut sheets of glass that are suspended at any length with thin wire, this fixture fills its environment with breathtaking excitement.

Glass Tile

The Shimal'e Peleg collection of glass tile is unexpected. Each glass tile is its own work of art, its own huge jewel. When combined with others to form a wall of glass they can be either a sea of calm or an ocean of fury, depending on the color, size and organization of the tiles. Every color, every shape and every size is possible.
